## April 2026

Performance season is officially here at AMP Studio. Our students are stepping onto more stages, building confidence, and preparing for an exciting few months ahead. With new performance opportunities, community events, and summer programs right around the corner, there has never been a better time to get more involved at AMP.

### Month At A Glance

- **Sunday, April 13** – Youth Open Mic Night (7pm)
- **Saturday, April 26** – AMP Bands @ First Responder Fest @ The Groove (Delmar, DE)

### STUDENT SPOTLIGHT

#### Sylas Mazurek

Although he only joined us this year, Sylas has already made a strong impression through his leadership, positive attitude, and willingness to step up whenever needed. He is always ready to support his fellow bandmates and contribute wherever he can, making him a true team player. We are incredibly grateful for Sylas and his family’s commitment to AMP Studio and look forward to seeing his growth on and off stage!.

### Featured Program

#### YOUTH OPEN MIC

Join us for our next Youth Open Mic Night on Friday, April 10th!

This is a fun, low-pressure opportunity for students of all ages and experience levels to perform in a supportive environment. Whether it is your first time on stage or you are working on new material, Open Mic is the perfect place to grow as a performer.

**Sign up to perform or come out and support!**
